## Dyslexia, ADHD, & Hyperesthesia

Finally took the test...

but found other problems

- Use of a laptop, textbook data (PDF), a reading tracker, & noise-cancelling headphones
- Alternative work

• Extending a quiz time

• Headphone & iPad

should be available

compatibility

What functions

• Need a break in

between? ...etc.

Mark the

letter...

I'm going to take an English proficiency test to study abroad!

Requested priority support

Consulted a person at Health and Welfare Department in her city as it may be illegal.

We cannot do that because there is no precedent.

Rejected

That it can be against the law. Please discuss with the student again.

# on English Tests

From a case of reasonable accommodation for a student with dyslexia on a standardized English proficiency test
